

Student Sponsorship programme

Since 2000, the Student Sponsorship Programme (SSP) has provided educational opportunities to hundreds of talented students from low-income families. With the generous contributions of our sponsors, SSP awards grants which provide five year high school scholarships to carefully selected students.

We invite you to become a full or partial sponsor of an SSP scholar. The full cost of each student's tuition, uniforms and books is \$7,000 per year for five years*. Partial sponsors may contribute a specific amount towards a scholar's education each year for five years.

Please make your pledge today by completing this form, signing it and faxing to +1 (212) 532 2250 or emailing to jerryanne.heath@ssp.org.za.

Sponsors receive a detailed profile and academic reports on their students, as well as personal letters from the students. Being a sponsor is a deeply rewarding and enriching experience, and we hope you will continuously feel the same throughout our partnership with you.
